

D O E N G L I S H W I T H B R I A N

Leo — Class 15

Holding Your Ground

First, your setback story — then, the art of disagreeing well.

Your Setback Story

준비해온 스토리를 처음부터 끝까지 — 발표가 주인공, 아래는 참조용.

“Tell me about a time things didn't go as planned.”

Your story, start to finish — no notes if you can.

from Class 14 — if you need them

things went south · blow it · drop the ball · own up to · beat myself up over · take it in stride · bounce back · give it another shot · come out stronger · if anything

When You Saw It Differently

충돌의 장면: 다르게 봄 → 반대 → 우려 → 공방 → 주장.

- 1** **I saw it differently** 저는 다르게 봤어요
"The team wanted to ship fast — I saw it differently."
- 2** **I pushed back on ~** ~에 반대 의견을 냈어요
"I pushed back on skipping the load tests."
- 3** **My concern was ~** 제 우려는 ~였어요
"My concern was what would happen at peak traffic."
- 4** **We went back and forth on ~** ~를 두고 오갔어요
"We went back and forth on the release date."
- 5** **I made the case for ~** ~를 논거를 들어 주장했어요
"I made the case for one more week of testing."

The Pushback

🎯 MISSION

Disagree with the plan — clearly, and without making it personal.

장면: 팀이 테스트를 줄이고 빨리 배포하자고 함. Leo는 반대. 1→5 순서로 이견을 세우기.

Brian은 배포를 밀어붙이는 시니어 — “We've done this before, it'll be fine.” “The deadline won't move.” 두 번은 반박해 옴.

From Standoff to Decision

설득의 마무리: 논리 설명 → 근거 → 절충 → 수긍 → 결정 후 헌신.

6 **I walked them through my reasoning** 논리를 차근차근 설명했어요
"I walked them through my reasoning, step by step."

7 **I backed it up with ~** ~로 뒷받침했어요
"I backed it up with numbers from the last incident."

8 **We met in the middle on ~** ~에서 절충했어요
"We met in the middle on a staged rollout."

9 **They came around** 결국 수긍했어요
"Once they saw the data, they came around."

10 **Once the decision was made, I got behind it** 결정 후엔 따랐어요
"Once the decision was made, I got behind it completely."

The Whole Story

🎯 MISSION

“Tell me about a time you disagreed with your team.” — answer it, start to finish.

면접 질문에 1→10 전체로 답하기: 충돌(1-5) → 설득과 결말(6-10). 결말은 이겼든 졌든 10번으로 닫기.

Brian은 면접관 — 후속 질문 하나: “What would you do differently?” (C14 의 if anything 이 여기서 재소환됩니다.)

Before We Finish

Two stories now

Setback + Disagreement — 행동면접의 두 기둥이 갖춰졌어요.

This week

오늘 만든 disagreement 스토리를 L&S로 입에 붙이기.

Next time

오늘 스토리에서 나온 것들로 다음 방향을 정해요.

Great work today, Leo!
