

HOJUN • CLASS 10

If You Could Pick

Four real Hyundai E&C sites — which one would you join?

Q How's the week been on your end?

Sea and Land

Sheikh Jaber Causeway — Kuwait

바다 위 초장대 해상교량 — 리비아 대수로 이후 한국 건설사 최대 해외 토목

Land Reclamation — Singapore

나라 면적을 7% 넓힌 준설 · 매립 — 바다를 국토로

QUESTIONS

Q1 First impressions — which of these two pulls you, and why?

CAUGHT TODAY · 수업 중 나온 문장을 여기에

Singapore -> maritime structure / used Caisson / had a similar experience for domestic project

Kuwait -> first big project when I joined / his team members joined this project / artificial island /

Ice and Canyon

Jang Bogo Station — Antarctica

남극 과학기지 — 세종기지보다 어려웠다는 극한 시공

McKinley Railway Bridge — Alaska, USA

협곡을 가로지른 171m 철교 — 미국 건설사들도 꺼렸던 현장

QUESTIONS

Q1 Engineer's eyes — which site would be the hardest, and what makes it hard?

CAUGHT TODAY · 수업 중 나온 문장을 여기에

Jang Bogo project done by the another division / HDEC done the high-speed railway bridge for KTX, SRT / building a bridge is the beauty of civil engineering /

YOUR PICK

So — Where Do You Go?

QUESTIONS

- Q1** If you could pick one, which site do you join — and why?
Q2 What would your first month there look like?

FROM YOUR WORDS · 지난주 단어

dimension

operator

precisely

TOOLBOX

I'd go with ~ because ~

저라면 ~ 요, 왜냐하면 ~

What draws me to ~ is ~

~에 끌리는 이유는 ~

The tricky part would be ~

까다로운 건 ~ 일 거예요

Compared to ~, ~ is ~

~에 비하면 ~는 ~

CAUGHT TODAY · 수업 중 나온 문장을 여기에

I'd go with USA, Singapore because it is good place to learn English / What draws me to countries like USA and Singapore is that these two are good for work and living with family / The tricky part would be English communication. Explaining design over to agencies /

BACK HOME

And Then There's Wando

QUESTIONS

Q1 Which of the four is closest to your Wando project — what's similar?

Q2 And what makes offshore wind different from all of them?

오늘 얘기한 현장들 옆에 완도를 놓아보기 — 닮은 점과 다른 점 .

CAUGHT TODAY · 수업 중 나온 문장을 여기에

The biggest difference is the turbine. Offshore wind project is being influenced by the turbine supplier.
