Minkyung — Class 7

Say Something Back

Not what to say — how fast you say it.

This One's Different

오늘은 새 표현을 외우는 시간이 아니에요.

Class 4 was polite

Careful, warm, a little formal.

처음 만난 사람과의 예의 있는 대화 — What I find fascinating about ~

Today is fast

Friends don't wait for your sentence. They wait for your reaction.

친구와의 대화는 문장이 아니라 반응이에요. 1-2초 안에 뭔가 나와야 해요.

Many right answers

There's no single correct line — just don't leave the silence.

조각 하나를 고르는 게 아니라, 아무거나 튀어나오면 성공이에요.

Before They Finish Talking

상대 말이 끝나기도 전에 나오는 것 — 다섯 종류, 조각은 아무거나.

Surprise

놀랐을 때

No way

You're kidding

Seriously?

Wait, what?

Same here

공감할 때

Same

I know, right?

Tell me about it

That's exactly it

Tell me more

더 듣고 싶을 때

Oh really

Since when?

How come?

And then what?

That's rough

안됐을 때

Oh no

That's rough

Ugh, the worst

I'm sorry

Nice one

좋은 소식일 때

Nice

Good for you

That's amazing

Look at you

DRILL 1

Screen Off, Mouth On

HOW IT WORKS

I say a line. You react — in under two seconds. That's it.

조각 목록은 보지 않아요. 고르는 게 아니라 튀어나오는 게 목표예요. 같은 반응을 두 번 써도 괜찮아요.

“I quit my job last week.” “My flight got cancelled.” “I met him at a wedding.”
“I've been sick since Monday.” “I'm going to Paris next month.” “She said no.”

30–40 lines, no stopping.

And Then Keep It Going

반응 다음에 대화를 이어붙이는 다섯 가지.

Back up

되물을 때

Wait, back up — · So you're saying ~? · Hang on, when was this?

My turn

내 얘기 었을 때

Same thing happened to me · That reminds me of ~ · Okay, my turn

Not sure

가볍게 반박할 때

I don't know, though · Really? I'd say ~ · Come on

Moving on

화제 바꿀 때

Anyway — · Speaking of ~ · Oh, before I forget —

Buying time

생각할 시간이 필요할 때

Hmm · Let me think · How do I put this · Okay so —

React, Then One More

HOW IT WORKS

Same drill — but this time, react and then say one more thing.

반응 하나 → 이어붙이기 하나. 두 조각이면 대화가 굴러가요.

“I quit my job last week.”

→ “No way — wait, back up. When was this?”

“I'm going to Paris next month.”

→ “Look at you! That reminds me — I still haven't booked mine.”

Two pieces, every time.

Now Just Talk

연습이 끝났어요. 이제 그냥 친구랑 얘기하는 시간.

Pick one and go — no lists, no slides.

“What’s the last thing you spent too much money on?”

“Who did you see this week?”

“What’s been annoying you lately?”

Afterwards

오늘 나온 반응 중 제일 자연스러웠던 거 하나.

This week

L&S로 조각들 반복 — 생각 없이 나올 때까지.

Great work today, Minkyung!
