Minkyung — Class 8

Tell It Like a Story

Last time you reacted. This time, you're the one with the story.

You're the Storyteller Now

오늘은 칩을 고르는 게 아니라 이야기를 끝까지 끌고 가요.

Class 7 was catching

You caught. Today you throw.

친구 말에 1초 안에 반응하기 — 받는 연습이었어요.

A story has a shape

The expressions come in story order — use them in order, and the story builds itself.

열기 → 전개 → 반전 → 마무리. 오늘 표현 10개가 그 모양 그대로예요.

Brian is your friend today

“No way.” “And then what?” — keep going when you hear them.

듣는 내내 c7 반응 칩으로 받아줄게요 — 지난 수업이 여기서 다시 나와요.

Opening the Story

이야기를 여는 다섯 개 — 배경에서 사건까지.

So the other day, I was ~ — 그러니까 며칠 전에 ~하고 있었거든

“So the other day, I was filming at a hotel in Busan.”

You know how I ~, right? — 나 ~하는 거 알지?

“You know how I always overpack, right?”

Out of nowhere, ~ — 난데없이 ~

“Out of nowhere, the manager asked me to go live.”

And get this — ~ — 근데 들어봐 — ~

“And get this — the whole thing was being recorded.”

I was like, “~” — 나는 “~” 이랬다니까

“I was like, ‘There's no way I'm doing that.’”

▶ Right away: 고른 에피소드 전반부를 1→5로 — Brian은 칩으로 반응.

Closing the Story

반전을 뚫고 마무리하는 다섯 개.

It turned out ~ — 알고 보니 ~

"It turned out the live was just for staff training."

Long story short, ~ — 짧게 줄이면 ~

"Long story short, I did it anyway."

The best part was ~ — 제일 좋았던 건 ~

"The best part was the comments afterwards."

I still can't believe ~ — 아직도 안 믿겨, ~

"I still can't believe I said that on camera."

Anyway, that's how I ended up ~ — 어쨌든 그렇게 해서 ~하게 된 거야

"Anyway, that's how I ended up hosting the event."

▶ Right away: 같은 에피소드 후반부를 6→10으로.

One Take, Start to Finish

키워드만 보고 1→10 통짜로 — Brian은 친구 역.

“Okay — so what happened? Tell me everything.”

the other day

it turned out

you know how

long story short

out of nowhere

the best part

get this

can't believe

I was like

ended up

Brian reacts with Class 7 chips — No way. / And then what? / Look at you!

Before We Finish

Today's ten

열기 5 + 맺기 5 — 순서대로 쓰면 아무 에피소드도 이야기가 돼요.

Throw and catch

C7 반응 + C8 스토리 = 친구 대화의 양쪽 완성. 다음엔 섞어서 주고받기.

This week

오늘 통짜 버전을 L&S 08로 — 자기 이야기라 외우기가 아니라 기억하길래요.

Great work today, Minkyung!
