SUKYUNG · CLASS 1

In English This Time

Last time in Korean. Today, in English. · 지난번엔 한국어로 , 오늘은 영어로 .

PART 1 · NOW

What You Do These Days

What you said, and a better way to say it. · 한 말과 , 더 나은 표현 .

1 What do you do these days?

WHAT YOU SAID

I work in café. Just studying and taking a tutor. I do work out. (weight-lifting) And aquarobics. I take care of my dog. He has a diabetes. I need to inject everyday.

SAY IT THIS WAY

These days, I work **part-time at a café**, and **I'm studying with a tutor**. I **also** work out — **I lift weights and do aqua aerobics. And** I take care of my dog. He has **diabetes**, **so** I need to **inject him every day.**

ALSO I **give him a shot** every day.

2 What's your café job like?

WHAT YOU SAID

It is so busy and it is difficult to deal with customers. So many recipes in café so I can't remember yet. So many people come to café and I get panic.

SAY IT THIS WAY

It's **really** busy, and **dealing with customers is hard. There are so many recipes that I can't remember them all yet. When so many people come in, I panic.**

3 What kind of company are you hoping to join?

WHAT YOU SAID

Want to join shipping company and shipyard or submarine related.
Pure interest, interested in trading between countries.

SAY IT THIS WAY

I want to join a shipping company or a shipyard, or something related to submarines. It's purely out of interest — I'm interested in trade between countries.

KEEP IT GOING

Five Ways to Say More

When your answer stops after one sentence. · 답이 한 문장에서 끊길 때 .

	v	ALREADY YOURS? · 이미 쓰면 v	NEXT STEP · 다음 단계
REASON 이유	☐	~, mainly because ~	~, which is why ~
EXAMPLE 예	☐	For example, last ~, I ~	One time, I ~, and that's when I realized ~
CHANGE 달라진 점	☐	At first ~, but now ~	I used to ~, but ever since ~, I ~
IMPRESSION 인상	☐	What I like about ~ is ~	What surprised me most about ~ was ~
WHEN STUCK 막힐 때	☐	It's kind of like ~	I'm not sure what it's called, but it's something you ~

PART 2 · BEFORE

What You Studied, Where You Lived

What you said, and a better way to say it. · 한 말과 , 더 나은 표현 .

	WHAT YOU SAID	SAY IT THIS WAY
1 What did you study, and why maritime finance?	I major in business and my master degree focus was maritime finance. I never thought about why but mainly because, honestly I have been recommended maritime finance from my father. He has a friend in University as chancellor so he told me to go. And his major was maritime finance.	I **majored** in business, and **my master's was in** maritime finance. I never **really** thought about why, but **honestly, it was mainly because my father recommended it**. He has a friend **who is a university chancellor**, and **that friend's** major was maritime finance. **So my father told me to go.**
2 What was living in Germany like?	It was very lonely and I had my first time having a depression. So gained 30 kgs in 2 years. One time, I stepped out from the house only 3 times during one month.	It was very lonely, and **I went through depression for the first time. I gained 30 kilos in two years.** One time, **I left the house only three times in a whole month**.
3 Why did you come back?	Mainly because covid. I couldn't handle my depression. I missed my family a lot and I wanted to have a conversation in Korean.	Mainly because **of COVID**. **And** I couldn't handle my depression. I missed my family a lot, and I wanted to **have conversations** in Korean.
