June — Three Conversations

Warm · Film · Deep — one sitting, three talks

Morning Routines · Before Sunrise · The Ankle

"Morning routines are overrated — or are they?"

미라클 모닝은 과대평가일까 ?

IF THE TALK SLOWS DOWN — DIG DEEPER

- What does your morning actually look like — be honest!
- Have you ever tried a morning routine? How long did it last?
- Is discipline about willpower — or about environment?
- As a sports-medicine person: should we design the day around our body, or train the body to fit the day?

EXPRESSIONS FOR THIS TALK — 대화에 자연스럽게 심을 표현

I'm not a morning person. 저는 아침형 인간이 아니에요

It works for me. 저한테 잘 맞아요

I can't function without ~ ~ 없이는 정신을 못 차려요

force myself to ~ 억지로 ~ 하다

That's overrated / underrated. 그건 과대 / 과소평가예요

"Some conversations change us more than years of routine — why is it easier to open up to a stranger?"

어떤 대화는 수년의 일상보다 우리를 더 바꾼다 — 왜 낯선 사람에게 더 솔직해질까 ?

IF THE TALK SLOWS DOWN — DIG DEEPER

- First — what scene stayed with you the most?
- Why do we sometimes tell strangers things we hide from close friends?
- Have you ever had one conversation that changed how you think?
- If you knew you'd never meet again, would you be more honest — or less sincere?

EXPRESSIONS FOR THIS TALK — 대화에 자연스럽게 심을 표현

open up (to someone) 마음을 열다 , 솔직해지다

We just clicked. 우린 그냥 통했어요

There's no pressure to ~ ~ 해야 한다는 부담이 없다

deep down 마음 깊은 곳에서는

It stayed with me. 그게 계속 마음에 남았어요

*"The ankle is small, but everything stands on it —
do we only value things when they break?"*

발목은 작지만 모든 것이 그 위에 서 있다 — 우리는 무언가가 부서져야만 그 가치를 아는가 ?

IF THE TALK SLOWS DOWN — DIG DEEPER

- Why the ankle? What drew you to it as your research field?
- What do patients realize after an injury that they never thought about before?
- What else in life works like the ankle — invisible until it fails?
- Can we learn to value things before we lose them, or is loss the only real teacher?

EXPRESSIONS FOR THIS TALK — 대화에 자연스럽게 심을 표현

take ~ for granted ~ 을 당연하게 여기다

It never crossed my mind. 한 번도 생각해 본 적 없었어요

bear the weight of ~ ~ 의 무게를 지탱하다

in hindsight 돌이켜 보면

appreciate what we have 가진 것의 소중함을 알다
