KEYWORDS

In my free time, I play golf. I started to take a lesson 3 years ago. But I took a break for a while.
I got into golf again about 5 months ago.
I do it twice a week to make it part of my routine. What I like about it is to release my stress.
It helps me clear my head and make me relax.
And I usually practice at indoor. I have been at the golf course for twice.
I am still a beginner and I'm not very good at it.
Who do you play with? -> I usually play with my husband twice a week. Sometimes I play a golf alone.
What was the score? -> Average 104 (only indoor) I need a system in easy version. When I went to a field, it was last year summer.

Most of the time, it didn’t go well. But I just play for fun. So it doesn’t affect my mood.
