PART 1 · 5 MIN · WHAT YOU PREPARED

Tell me about food.

Say what you prepared. Brian writes keywords only.

What you can cook · What you like · What you don't like · What you shouldn't eat but love

KEYWORDS

I especially like 김치찌개 and LA 갈비 and 양념게장 / 간장게장 . I can make LA 갈비 .

What you can cook

I don’t like cooking. But I’ve been cooking a lot lately. I often make 김치찌개 and 소고기볶음밥 . It’s super easy.

I make good 김치찌개 . First, I cook pork and next I add kimchi and salted shrimp and water. I let it simmer for a long time. And I let it cool down then hit it up again. It gets taste even better. Then the most important is use good kimchi. When I make 김치찌개 , I use 500g of pork.

What dessert do you like?

I like ice cream and fruits and chocolate.

What you don’t like? (food)

I eat pretty much anything. At least less prefer -> coriander

What you shouldn’t eat but love

I saw some people addicted (addict: 중독되다) to Coca-Cola. Brian doesn’t love Coca-Cola. Only like Coca-Cola. So Brian is not addicted to Coca-cola. Maybe just one per day. Maybe once per every 2 days. That is also addicted. Then maybe once per week. Carbonated (탄산) drinks (탄산음료)

These days I drink 애사비 instead of 트레비 . Taste is so so. I drink it only for loosing weight.

NEXT *Questions you didn't prepare for — that's where we'll fix things.*

PART 1 · 15 MIN · FOLLOW-UPS 1 / 2

Now, the ones you didn't prepare.

No notes. Brian types what Dahye says.

1 Who cooks more at home — you or your husband?

I cook more at home than my husband.

2 Tell me about a time a dish went wrong (잘못되다).

When I made 된장찌개 , one day it tasted not strong enough. So I added 된장 (soybean paste) and cubical shape MSG. After then, it tasted strong enough. So I had it by myself.

3 Teach me one dish — in thirty seconds.

This time, beef fried rice. First, put olive oil in the pan. And I add beef and garlic. Stir all together. Next, add rice and salt and pepper. Sometimes add another sauce like oyster sauce, soy sauce. It depends on the day. It is different. Sirloin (등심), tenderloin (안심), ribs, strip. I love beef but I don’t like only flat iron. I don’t like the taste and smell of flat iron.
