Hojun — Class 9

Chasing the Answer

KEPCO hasn't answered. The deadline is real. Time to push — politely.

TALK 1

The Follow-Up

재촉 — 메일과 콜 , 정중하지만 분명하게 .

“It's been three weeks. How would you open the follow-up — mail first, or call?”

뭐부터 어떻게 여는지

“What exactly are you asking KEPCO for — in one sentence?”

요청을 한 문장으로

“If they answer vaguely, what's your next line?”

뜨매한 답이 오면

TOOLS **Just following up on ~** · **Is there any update on ~?** · **When can we expect ~?** · **What's holding ~ up?**

TALK 2

Raising the Stakes

기한을 걸고 , 부분 답이라도 받아내기 .

“December 2029 doesn't move. At what point do you put a date in the email?”

기한을 명시하는 시점

“Could a partial answer keep the schedule alive? Which part do you need first?”

부분 답으로 버틸 수 있는지

“Who gets copied when you escalate — and what changes when they do?”

에스컬레이션 구도

TOOLS **If we don't hear back by ~, ~** · **Could we get even a partial answer on ~?** · **We need ~ to keep ~ on track** · **At this point, ~**

WRAP UP

Before We Finish

Push without burning

재촉은 관계를 태우지 않고도 분명할 수 있어요 — 오늘 그 톤을 잡았어요 .

The date is the lever

기한 명시 (If we don't hear back by ~) 가 가장 정중한 압박이에요 .

This week

실제 한전 후속 메일에 오늘 문장 그대로 — 보내기 전에 공유해줘도 돼요 .

Great work today, Hojun!
