ROUND 1 · YOUR FIVE YEARS

“Tell me about your teaching career.”

당신의 교직 경력을 말해보세요 .

I've been teaching ~ for ~ ~를 ~ 동안 가르쳐왔어요

“I've been teaching special education for five years.”

I spent ~ at ~, working with ~ ~에서 ~와 함께한 ~를 보냈어요

“I spent five years at Seojin School, working with middle schoolers and the vocational program.”

Along the way, I took on ~ 그 과정에서 ~를 맡았어요

“Along the way, I took on IEPs, job assessments, and community-based programs.”

What stayed with me was ~ 마음에 남은 건 ~였어요

“What stayed with me was how much students struggle with the transition to adult life.”

NOW YOU **Four patterns, one answer — your five years, start to finish.**

ROUND 2 · WHY FURTHER STUDY

“Why do you want to study special education further?”

왜 더 공부하고 싶은가요 ?

It comes down to ~ things I kept running into 결국 계속 부딪힌 ~ 가지로 요약돼요

“It comes down to three things I kept running into in my classroom.”

I kept seeing students who ~ ~ 하는 학생들을 계속 봤어요

“I kept seeing students who gave up after repeated failure.”

I wanted better ways to ~ ~ 할 더 나은 방법을 원했어요

“I wanted better ways to support their basic literacy and numeracy.”

The classroom alone couldn't answer ~ 교실만으로는 ~ 에 답할 수 없었어요

“The classroom alone couldn't answer why — that's what brought me to research.”

NOW YOU **Your three reasons — transition, curriculum, basic skills — as one story.**

ROUND 3 · YOUR RESEARCH

“What would you like to research here?”

여기서 무엇을 연구하고 싶은가요 ?

My research interest lies in ~ 제 연구 관심은 ~ 에 있어요

“My research interest lies in the transition period — from school to adult life.”

I'm especially drawn to ~ 특히 ~ 에 끌려요

“I'm especially drawn to the psychology of how these students learn.”

I've actually taken part in ~ 실제로 ~ 에 참여한 적이 있어요

“I've actually taken part in a study here at SNU — on an AI prototype for interview training.”

Building on that, I'd like to ~ 그걸 바탕으로 ~ 하고 싶어요

“Building on that, I'd like to study how technology can support transition education.”

NOW YOU **Interest → focus → your SNU card → what comes next. Play the card here.**

ROUND 4 · AFTER THE DEGREE

“Where do you see yourself after this program?”

이 과정 이후엔 어떤 모습인가요 ?

I'm keeping ~ open ~를 열어두고 있어요

“I'm keeping both doors open — a PhD here, or studying in the U.S.”

BRING BACK · from your L&S 07

I see myself ~ing

“I see myself working as a researcher in special education.”

I'd like to be in a position to ~

“I'd like to be in a position to shape the special education curriculum.”

NOW YOU **One new pattern + two you already own — your future, in three sentences.**
