SUNGMIN · CLASS 15

After the Interview

How it went — while it's still fresh. Then, what comes next.

PART 1 · LOOKING BACK · 30 MIN

How It Went

Tell me everything. Brian writes down what you say.

1 What was the first question?

2 Which question surprised you?

3 Which answer are you proud of — and which one do you want back?

4 What did the interviewers look like when you answered?

5 If you could go back in, what's the one thing you'd say differently?

PART 2 · WHAT COMES NEXT · 30 MIN

After This

No right answers. Just think out loud.

1. Where did English show up in your life before this interview?
2. What did you actually enjoy about preparing in English?
3. Is there anything you've wanted to read, watch, or do in English but couldn't?
4. If we keep going, what do you want to be able to do by spring?
