

JANE · CLASS 5

You Design the Shipment

Here are the conditions. You tell me how it moves.

THE BRIEF

One Box, Four Conditions

이 화물, 어떻게 보내실 거예요?

Must stay at -150°C , door to door

Must arrive within 72 hours

There is no replacement if it's lost

One box = one person's dose

TOOLBOX

First I'd ask about ~

먼저 ~부터 물어볼 거예요

It depends on whether ~

~냐 아니냐에 따라 달라져요

Is there any room to ~?

~할 여지가 있나요?

QUESTIONS

Q1 Before anything else — what would you ask?

sufficient

precisely

CAUGHT TODAY · 수업 중 나온 문장을 여기에

First I'd ask about the destination and the origin. It depends on whether import country's clearance regulation. Customs regulation / end-destination's import regulation / Is there any room to get rejected by the customs? / Is it blood or human bio-product? Or medicine? / Since the delivery condition is door to door, is end-destination a lab or hospital? /

YOUR PLAN

How Would You Move It?

QUESTIONS

- Q1** Air or sea? Direct, or through a hub?
- Q2** What's your backup if the flight is delayed?
- Q3** Who signs for it at the other end?

TOOLBOX

I'd go with ~ because ~
저라면 ~로 갈 거예요, 왜냐하면 ~

The risk there is ~
거기서 위험한 건 ~예요

As a backup, I'd ~
혹시 몰라서 ~도 준비할 거예요

I'd go with air because it is safer and faster due to the urgency. / As a backup, I'd check an alternative flight schedule, flight routes. And communicate with domestic transportation team to speed up the delivery upon arrival. /

THE REVEAL

What's Actually in the Box

이 상자, 사실은요

The cells came out of a patient. A factory edited them. Now they're going back — to that same patient.

환자 몸에서 꺼낸 세포로 만든 약이에요. 그 환자에게 다시 돌아갑니다.

Around \$1 million for one dose

Hand-delivered only — never left at a mailroom

Some companies charter a whole plane for one box

Shipping alone: 20–40% of the total cost

TOOLBOX

I didn't expect ~
~는 생각도 못 했어요

Ah — so that's because ~
아, ~ 때문이구나

I had that one right — ~
그건 제가 맞췄네요 — ~

QUESTIONS

Q1 Where were you right — and what surprised you?

YOUR TURN

The Hardest One You've Shipped

이번엔 Jane 차례

QUESTIONS

- Q1** What's the hardest shipment you ever handled at FedEx?
- Q2** Same questions — conditions, plan, what went wrong?
- Q3** What would you never have to worry about there?

TOOLBOX

The tricky part was ~
까다로웠던 건 ~였어요

What we did was ~
저희가 한 건 ~였어요

Looking back, I'd ~
지금 생각하면 ~할 것 같아요
