## THE STACK

# Six Papers, One Box

상자 하나에 이 서류들이 같이 다녀요

**Packing list** lot numbers and quantities — the site counts against it

**Import permit** country-specific, prepared in advance — no permit, no border

**Temperature log** a logger rides inside; read it before you open the box

**Chain of custody** every handoff — factory, depot, customs, site pharmacy

**Accountability log** who got what, how much came back, what was destroyed

**Certificate of destruction** proof the leftovers are gone, at study close

**Q1** Which one would you look at first — and why?
