Your Turning Point

Tell it like a story — the crossroads, the leap, and how it all played out.

The Story

A turning point in your life. What was the crossroads, why did you take the leap, and how did it change things?

A few things you might cover:

- › What was the crossroads — and what were your options?
- › What made you take the leap in the end?
- › In hindsight, how did that choice change things?

💡 Weave in these (from Class 10):

- at a crossroads · 기로에 서다
- second-guess · 재차 의심하다, 망설이다
- a turning point · 전환점
- turn my life around · 인생을 바꿔놓다
- fall into place · 제자리를 찾아가다
- take a leap · 과감히 뛰어들다
- no turning back · 돌이킬 수 없는
- in hindsight · 돌이켜보면
- trust my gut · 내 직감을 믿다
- a blessing in disguise · 전화위복
