Your Data Extraction Project

Tell it like an interview answer — the task, the wall, the click, and what you took away.

The Story Your AI data-extraction project — what you were tasked with, where you got stuck, and how better questions turned it around.

A few things you might cover:

- › What were you tasked with — and how did it start out?
- › Where did you get stuck, and what did it come down to?
- › What did you end up doing — and what was the biggest takeaway?

Weave in these (from Class 13):

- **I was tasked with ~** · ~을 맡았다
- **It started out as ~** · ~로 시작했다
- **We were stuck on ~** · ~에 막혀 있었다
- **It came down to ~** · 결국 ~의 문제였다
- **The tricky part was ~** · 까다로운 부분은 ~
- **That's when it clicked** · 그때 딱 이해됐다
- **What we ended up doing is ~** · 결국 한 것은 ~
- **We went from A to B** · A에서 B로 바뀌었다
- **The biggest takeaway was ~** · 가장 큰 교훈은 ~
- **It's still not perfect, but ~** · 아직 완벽하진 않지만 ~

New Expressions — The Setback

Next time's story: a time things fell apart — and how you came back. Learn these now, use them then.

The fall

- **things went south** 상황이 틀어지다
- **blow it** (기회·순간을) 망치다
- **drop the ball** (맡은 일을) 놓치다, 실수하다

Facing it

- **own up to ~** (잘못을) 인정하다
- **beat myself up over ~** ~로 자책하다

Taking it

- **take it in stride** 담담히 받아들이다

Coming back

- **bounce back** 다시 일어서다, 회복하다
- **give it another shot** 다시 한번 도전하다

Stronger

- **come out stronger** 더 단단해져서 나오다
- **if anything, ~** 오히려, 굳이 말하면

이야기 순서 그대로예요 — 무너지고 → 인정하고 → 소화하고 → 일어서고 → 단단해지고.
