Catching Up · Your Story · Expressions in Context · Quiz

Let's Ease In

Before we dive in — let's just chat for a bit. How's everything going?

How's your week been? Anything new with work or the gym?

How's the vocal training coming along? Made any progress lately?

Did you get a chance to use any English this week — even just a little?

What Got You Into the World of IT?

This time, you lead. Take a few minutes and walk me through your story.

The Topic

What got you into the world of IT? Walk me through how it all started and where you are now.

A few things you might cover:

- › When did you first get interested in IT or computers?
- › What drew you in — was there a moment or project that sparked it?
- › How did you learn — self-taught, school, on the job?
- › Looking back, what challenges did you work through to get where you are?
