Let's Ease In

Before we dive in — let's just chat for a bit. How's everything going?

How's your week been? Anything new with work or the gym?

How's the vocal training coming along these days?

Did you get a chance to use any English this week — even just a little?

A Project You're Proud Of

Let's tell this one again — slower, richer, and really using these expressions this time.
