Welcome Back — Season 2!

Eight classes done — before we kick off season two, let's look back for a bit. In English, of course.

Looking back on our first eight classes — what did you enjoy the most?

What feels easier now than when we first started?

This season, what would you like more of — and anything you'd change?

The Okinawa Trip

A brand-new story this time — tell it like you're walking me through your photo album.

The Story

A few things you might cover:

- › What made you pick Okinawa — and how did you plan it?

- stumble upon · 우연히 발견하다
- get hooked on · ~에 푹 빠지다
- figure out · 알아내다
- can't get enough of · 아무리 해도 질리지 않다
