Minkyung — Class 6

Hosting the Table

Tonight, the wine is yours — open it, tell its story, and let it start the conversation.

Warm-up · 4 Rounds · New Expressions in Every Round

WARM-UP

Before We Pour

Catch up, then step into tonight's dinner.

How was your week?

One highlight, in English — anything from the past week.

What Would You Recommend?

You practiced the roleplay with the L&S file. Which lines felt natural? Which ones didn't?

Tonight's setting

This time, you are the host. Guests are arriving, and the wine on the table is your choice. Four rounds, one evening — new expressions unlock as the night goes on.

Welcome Your Guests

Your guests just sat down. The bottle is on the table.

 **MISSION** Introduce tonight's wine — and why it's on the table.

오늘의 와인을 소개하며 저녁을 여세요 — 스펙이 아니라 '왜 이 와인인지'로.

 **NEW**

I picked ~ out especially for ~

~를 위해 특별히 ~를 골랐어요

"I picked this out especially for tonight."

I've been wanting to share ~ with you

~를 꼭 함께 나누고 싶었어요

"I've been wanting to share this bottle with you."

 **BRING BACK · from Class 5**

Open the bottle, then describe it — the frame you already know:

On the nose, ~ · On the palate, ~ · It's got ~

“So, why this wine?”

A guest is curious. Don't answer with specs — answer with a story.

 **MISSION** Tell the story behind the wine — not the facts.

이 와인의 '사연'으로 답하세요 — 처음 만난 순간, 끌린 이유, 떠오르는 기억.

 **NEW** — a story arc in four steps

1. There's a story behind ~

~엔 사연이 있어요

"There's a story behind this one."

2. The first time I ~, ...

처음 ~했을 때 ...

"The first time I had this, I was in Paris."

3. What drew me to ~ was ~

제가 ~에 끌린 건 ~였어요

"What drew me to this wine was the finish."

4. ~ reminds me of ~

~는 ~를 떠올리게 해요

"It reminds me of autumn evenings."

 **BRING BACK** · from Class 5

Land the story with: **What I love about this is ~**

“How is it different from the last one?”

Your guest remembers the wine from last time. Put the two side by side.

 **MISSION** Compare tonight's wine with the one they remember.

두 와인을 건져서 설명하세요 — Swap 어휘가 빈칸의 재료예요.

 **NEW**

Compared to ~, this is ~

~에 비하면 이건 ~

"Compared to that one, this is much lighter."

They're similar in ~, but ~

~는 비슷한데, ~

"They're similar in body, but this one's drier."

~ leans more ~

~는 좀 더 ~ 쪽이에요

"This one leans more fruity."

If ~ was ~, this is ~

~가 ~였다면, 이건 ~예요

"If that was a quiet evening, this is a celebration."

 **BRING BACK • from Class 5**

Fill the blanks with your Swap words: **full-bodied • light and zesty • firm tannins • crisp acidity • fine bubbles • toasty • earthy • brut**

From the Wine to the People

The wine did its job — it opened the conversation. Now step through the door.

 **MISSION** Move the conversation from the wine to your guest.

와인 얘기에서 사람 얘기로 넘어가세요 — 와인은 수단, 대화가 목적이예요.

THE BRIDGE

Enough about ~ — ...

~ 얘기는 이쯤 하고 — ...

"Enough about the wine — I'd love to hear more about you."

BRING BACK · from Class 4 & 5

The food is your first door: **It pairs beautifully with ~**

Then your Social Talk, from the Krug dinner:

What I find fascinating about ~ is ~ · There's something special about ~ · I'd love to hear more about ~ · Coming from you, that means a lot · This has been such a memorable evening

Before We Finish

Quick Recap

Which patterns felt natural tonight? Which round was the hardest?

One More Time

Pick one wine — any wine — and host it again in three sentences: why you chose it, its story, and one comparison.

For Next Time

These patterns work far beyond wine — try one on a restaurant, a place, or a gift this week. ("There's a story behind this café.")

Great work today, Minkyung. See you next class! 🙌
