Sungmin — Class 3

Catching Up · Your Story · Expressions in Context · Quiz

Let's Ease In

Before we dive in — let's just chat for a bit. How's everything going?

How's your week been? Anything new since last class?

How's the grad school prep coming along? Any updates?

Did you get any chances to use English this week — even small ones?

What Made You Choose Special Education

This time, you lead. Take a few minutes and walk me through your story.

The Topic

What led you to special education? Looking back, what got you into this path — and why does it matter to you?

A few things you might cover:

- › What first drew you to this work?
